PayWatch

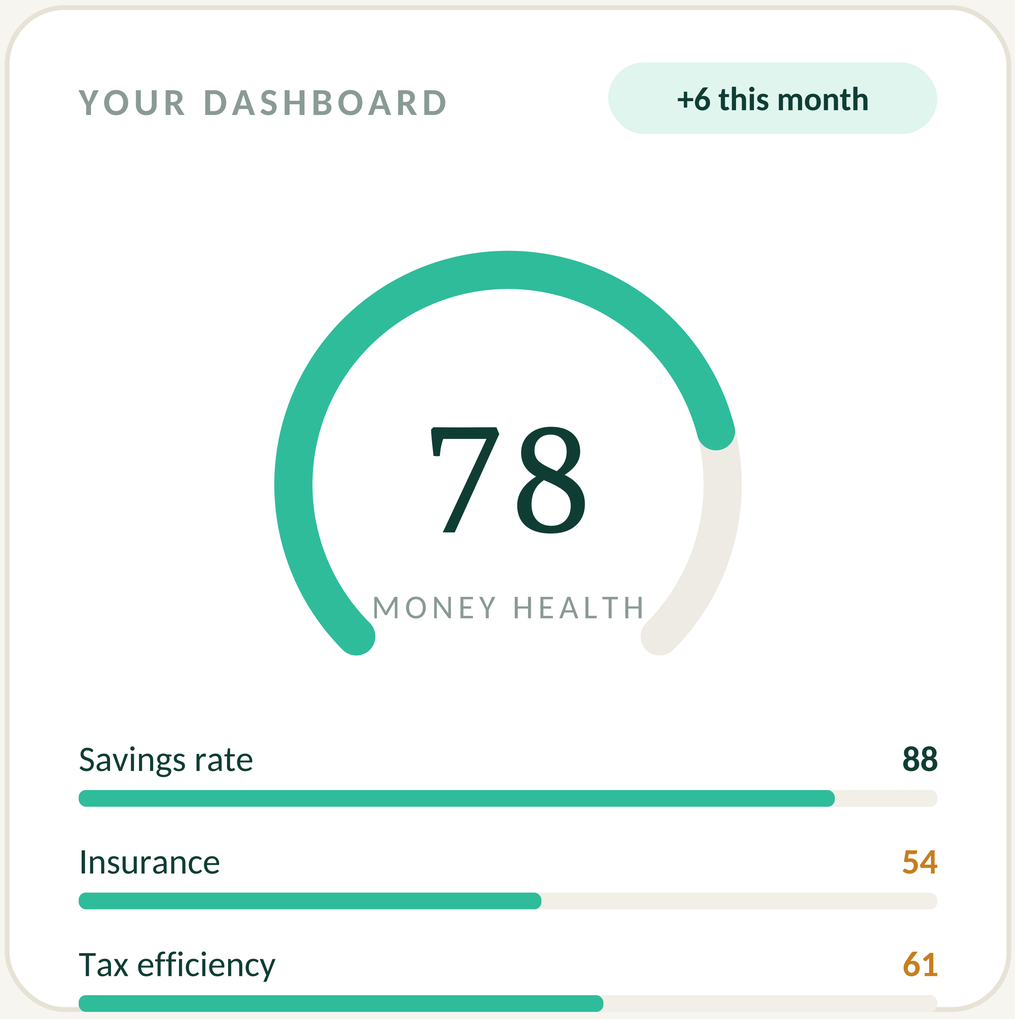
Watch your money grow.

India's personal-finance app

THE PROBLEM

Money is messy - and no one tells you what to do.

- Scattered across many apps
- No clear next step
- Advice is costly or out of reach



THE SOLUTION

One app that tells you what to do with your money.

One score. One plan. One AI advisor.

KEY FEATURES

Money Health Score

Your whole life, one number.

Ask PayWatch . AI

Answers in your own numbers.

Tax

Full tax computation + ITR.

Insurance

Compare and track policies.

Investing

Category-level guidance.

Alerts + vault

Reminders and secure storage.

TEAM

Yash [Surname] - Founder and Full-stack Developer

Built end-to-end. Onboarding student interns at [College] Innovation Centre.
